# Document List & Codes

This page lists all document codes used in the ECF. All document codes are available in ECF View and CWW. Only the codes noted below can be selected when scanning in ECF Capture.

## Restricted documents will not be visible to all users

Restricted documents are only visible to select users. See Confidential / Restricted Documents for more information.

## Active Scan Codes

The codes in the following table can be applied to documents scanned with ECF Capture.

### Finding a document on in this list

**Method 1:** Click a column header to sort the table by that column. The first click will sort entries from A-Z. A second click will sort from Z-A.

**Method 2:** Use your browser's find function to search for a specific document type or keyword on the page. Click on the page, and then press **CTRL + F** for the Find dialogue box.
